These statements have not been evaluated by the FDA. This product is not intended to diagnose, cure, or prevent disease. Individual body chemistry will affect the results of each oil. Certified pure therapeutic grade essential oils are very potent. Do not use CPTG essential oils past your own understanding. Work with your Wellness Advocate closely until properly educated and confident with your ability to safely use essential oils.

* The doTERRA business opportunity is robust and growing. While the majority of Wellness Advocates are focused on the use of essential oils for the benefit of their family and friends, for those Wellness Advocates that desire to focus on the building of "for-profit" business by working full-time in achieving the leadership ranks, there is a significant business opportunity as noted above. Of course, each Wellness Advocate's results will depend on the time and effort they put into building their own doTerra business.

elle & aidra

Elle was a beginner at party planning. After all, she had been doing it full time for only a while. She wasn't used to dealing with other females, but every now and then she got a special treat when she got hired to help organize an unforgettable bachelorette party for Aidra.

What she never expected was that she found her attractive, and ultimately she got a really unforgettable bonus for hiring her. Not only did Elle give an amazing party, but she was treated to a passion filled fuck at the end.

THERE'S LITTLE WE CAN DO WRONG WHEN EMOTIONS AND FEELINGS START FLOWING.

Everyone was happy and Elle didn't see anything wrong with taking her female clients on a come filled journey. In fact, there were a few times when Elle couldn't help but seduce some of her hottest female clients. She loved sex and she wasn't going to deny herself anything. Her body was smooth, tight and firm in all the right places and it deserved to get laid. When her latest female customer walked in for her first appointment to talk about her bachelorette party. She hoped that her next bonus would be as good as the last one was!

I hate working late at and will do anything to make the time go by faster, if I do have to work. Owning a successful gym and being the hottest and most well-known trainer in the state, I never had a shortage of cash. As a single woman, most of my time and money was dedicated to helping out the rest of my family. I was always working, always thinking about others and then, one day, it me, I hadn't had sex in a year. I was so sexy, how could that be possible?

CAN'T WAIT TO GET STARTED

then Dino walks in and he was one of the best assistants I had ever had, but how was I going to make sure he wouldn't refuse my offer to stay? But how? So I decided to let my body do the talking. As he started working, I told him to come find me at home when he was done. What he didn't know was that he would me wearing only her skimpy panties, my smoking hot body on display for him to enjoy. So, I'll say to him, 'Come over here Dino and take your clothes off right now and put it in.'

Oh, there's my doorbell...

THE GIRL IN THE RED BIKINI FINE, OH SO FINE

The blonde was frolicking in the surf with her two leggy brunette girlfriends. They were hot, but I have this thing for blondes, and this one was teasing me from afar. Not by eye contact or anything like that, just by being there, wearing that skimpy bikini, splashing in the waves. Damn!

She was slightly fuller proportioned than her two friends. She had bigger breasts, for starters, and a bigger butt. She was showing an ample display of shapely flesh too, with that shiny tight fitting red bikini which seems glued to her great rack and nicely shaped butt. The two brunettes ran off to the beach bar and the blonde sauntered over towards me. I thought she was going to come over, but soon discovered her towel was about ten feet away. I watched her walk up and she saw me looking at her. I leaned up on one elbow and smiled.

She looked at me and then down to adjust her towel, and then back at me. I knew she was looking at my toned figure, and bulge in my board shorts. I'm 22 and keep myself fucking fit, and fit for fucking. I sat up then stood up, and one inch over six foot. I'm dark-haired, handsome, I think, a great tan, great white teeth.

"Hi I'm Randy." I said, stepping beside her towel and asking if I could sit with her for a moment.

"Tell me that's Randy by name and Randy by nature." she said.

I know she was looking at my package, which was now bulging in my trunks, suggestive talk always has that effect on me. I grinned.

"I'm Rita." she said. "I reckon you look like you be quite exciting Randy. What say you tell me where you live and I'll drop by after we girls go home?"

I gave her my address, told her I was single, no way we'd be disturbed. "Me too." she said. And that's how Rita and me set up our first fuck.

I left the beach before her and her friends and drove home, mixed a gob of marguerites, showered, and pulled on a pair of shorts which allow my equipment to bunch in front, so she could see I was built there, too.

About an hour later, Rita drove into my driveway in a fucking large luxury four-wheel-drive.

Bright and shiny and new. She climbed out, wearing the same bikini she had on the beach and walked to the back of the house and up the patio, then into my home, like I told her.

I gave her a margarita, all frosted and salted on the rim and we clinked glasses. "Here's to the Randy session, Randy." she smiled, and we drained them in one gulp before leaping into each other's arms. My ripped upper chest rubbing against her warm bikini top, in fact, all her body was hot, like she'd not had the air conditioning on in the SUV.

By now, I was almost naked, just the shorts on, and she was totally bare in a flash, unclipping the button at my navel and pushing the shorts to my ankles. My cock was already halfway to a full-blown nine inch erection, and her hot hands went to it in an instant.

"Fuck, yes." she groaned. "That's one helluva prick. Want to put it in me Randy?" she cooed.

I didn't bother with her bikini top. I pulled down her bottom and then pushed her so her butt was up against the back of the long leather couch. When she was hard and fast up against it, she planted her feet wide, she was in killer high heels, by the way, and my cock went to her pussy, a totally shaved pussy, and flicked against her mons before driving between her puffed labia and coming into full contact with her wet pussy.

In one smooth drive, I entered her and felt she was velvet soft and tight. She grabbed my cock in a terrific grip, and then I started to hump her hard. While I was fucking her, I reached behind her neck and untied the knot that kept the top garment in place. It fell from her large puppies and I gasped when I saw how firm and bronzed they were. And how hard her nipples were!

I had to suck them, so I bent and placed my mouth on her left nipple, biting it gently, not hard, and then sucking on it until it was like a little lump of leaden flesh in my mouth. My left hand stroked her right breast and suddenly she was breathing in hot little gasps.

"You got the greatest set of boobs I've ever seen." I said as I munched on her mammaries. "Now, want to hit the sack and then I can give you a nice slow titty fuck?"

She said that would be great, so I picked her naked body up. She still had her fuck-me shoes on! I carried her into my bedroom and we started the fuck-in.

I laid her on the bed, then dove between her legs, sucking, licking and tasting her red-hot love box. She was a superb muff meal! Then I climbed up and gave her the titty fuck I promised. As I neared my cum, she tapped me on the shoulder. "Fuck my

face, Randy.” she gasped. “I’ll swallow it all and then you can lick me to an orgasm!”

I came in her mouth and she hadn’t lied. Then she made me go down on her. She was a noisy cummer. I kind of thought she

swallowed my cock. The flexibility of her tongue was unbelievable. She massaged the area underneath and just below the head of my cock. The sensation was beyond intense. My hips began to buck, she tightened her lips on my shaft. I fucked her face until I unload-

THEN SHE MADE ME GO DOWN ON HER. SHE WAS NOISY.

would be. She bucked her hips on the bed as I licked hard and slobbered all over her. Not satisfied with my orgasm, she got off her back and kneeling between my legs she extended her tongue. It was unusually long and she began to slowly lick me again like she meant it this time. She started at the base of my balls and languidly mov-

ed the most semen that I’ve ever ejaculated. She slowly released my cum in a viscous string onto her breasts and rubbed it in.

Here, I have to admit I was wrong, I thought I could get it up again to fuck her, but rather than let her see a limp noodle, I took her hand and led her into the shower. We soaped

ing up the underside of my cock, removing the fluid I’d left excitedly at the tip. She repeated this action several times giving me tremendous pleasure. She lowered her mouth onto my shaft and slid her soft lips all the way to the base, then stared up at me doe-eyed. The sight of this incredible girl with her mouth filled with my cock was so erotic; I can barely describe it.

It was taking all the will power I could muster not to cum again, but I wanted to save it for more sex.

Then I felt her take my balls into her mouth and probe them with her tongue, then she

each other, played for a little, and she finally announced that she had to go.

I didn’t stop her, but I watched her slip her bikini back on and I walked her to the front door, naked.

“Can I see you again?” I asked. She stood in the doorway, looked at my nakedness up and down, and said that it probably wouldn’t be a good idea. I asked why and she said, “Because my two girlfriends wouldn’t like it.” she said and closed the door behind her, leaving me with my cock hanging there and my mouth open.

When Victoria's boss asked her to take in my class at the local college to learn the skill she was missing so she could be promoted, she was furious. Not only did she think she was ready to be promoted without taking the class, she didn't want to be taught by someone younger. It made her feel a bit like a failure. But the moment she saw me, she started softening her posture, and getting her panties a little wet.

victoria

I DON'T KNOW WHY MY TEACHER WOULD BE STANDING NEXT TO ME SHIRTLESS.

She could barely concentrate on what I would talk about in class. All she cared about was the big giant bulge in my jeans. She had to have me. She was so hot for teacher, I think that she had to run to the bathroom once to relieve the pressure building in her pussy. When I asked to see her after class one night to talk about how unfocused she always seemed, Victoria knew her chance had arrived. Listening to me speak, she started unbuttoning her shirt. To my surprise, she had nothing underneath.

cassie

Cassie got something really special for her 18th birthday – a red sports car. It is something she had been asking for for the last two years. At first she was too young, then she didn't have her license, but at 18 there were no more excuses. Even though it was last year's model, she was still ecstatic. Her first drive was up the coast highway to Santa Barbara. Two top-down, wind-in-her-hair hours of pure automotive bliss.

IF WE WERE TOGETHER, I WOULD DO EVERYTHING I COULD TO MAKE YOU VERY HAPPY.

t The car felt great under her and she had control. She spent the night at a girlfriend's place and showed it off. In the morning she headed back to L.A. No panties on. She wanted to feel the warm smooth leather on her pussy lips and rub it into the seat, marking her territory. Purposely, she wore a button-front shirt that she would open now and then to feel the breeze on her boobs and nipples. Soon she realized she was caressing and stroking the gear shift like a cock. Oh yeah, she was going to like this car!

When Cierra and her boyfriend had a big fight on their holiday trip, and left her with the hotel bill. Cierra wanted to cry. They were vacationing in a five-star resort in the Caribbean when her boyfriend found a vacationing hooker on the beach and decided to go with her instead. With her boyfriend gone, how was she going to pay for it all? She decided there was no use in putting it off and headed down to see the concierge right away to explain the situation.

I DIDN'T HAVE MONEY TO PAY FOR THE HOTEL ROOM, SO I FOUND ANOTHER WAY.

When she found the office, she saw a young stud behind the desk. Suddenly, she had a better idea. Leaning over to make sure her juicy boobs almost spilled out of her tiny shirt, Cierra thought quickly and told her there was a problem with the shower in her room. She asked if he could come check on it. He stood up from behind the desk to a full six-foot-two. She followed him, admiring his round ass, back to the room. He walked into the bathroom to check the shower. When he came out, she was buck naked.

LESSONS LEARNED

Currently, I'm in my junior year in college and living just off campus. I was in the dorm last year but wanted to be a bit more independent and start a real life. I've come to learn that I have to make my own meals, go grocery shopping, do my laundry and all kinds of grown up stuff. But it also means I have my own apartment and I can do whatever I want – to whomever I want.

This off campus neighborhood is full of students like myself, all going through the daily motions of school – and after school. Some of my weekends I spend on campus, but more and more I'm off campus. Across the street live the Brody bunch. The oldest daughter is named Blanche and she's a senior in the Wellness College of the university. She's a very pretty girl with a caring heart. When I moved into the neighborhood, my

dog ran away and she helped me find it. Afterwards we became better friends and now walk to school together and talk about all sorts of college-type things. She would tell me of her boyfriends. I told stories of my girlfriends. About love and hate and infidelity.

Blanche said that when she went to college she started wearing skimpy tank tops that showed off her body and especially the size and shape of her gorgeous breasts. Her shorts became shorter, and she got more adventurous with her love life. Her vow of celibacy was out the window by her sophomore year. She even admitted that she had developed a reputation as a champion cock teaser, a young lady who let everybody know just what she had but didn't let just anybody touch.

I suspected that she had a boy-

friend in college. Still, she was always friendly to me, and I saw a lot of her at one place or another in the neighborhood. She worked out at the athletic club just down the street from our houses. I worked out there as well, and we often spend time together there. She always wore running shorts that were as thin as skin and a slim halter top that allowed her boobs plenty of fresh air as she worked out.

One afternoon after working out at the club, Blanche and I walked home together. She told me that she was feeling stiff from the workout, and asked if she could get a back rub when we got back. The opportunity merely to touch her, even if it was just a back rub, was like a dream come true! Yes, I have had those types of thoughts about her, but have been very careful not to say or show anything about my lust for her.

As it turned out, Blanche's parents and siblings weren't home, so we had the house to ourselves. She led

me right into her bedroom, kicking off her shoes along the way. I followed her like a dutiful puppy through the hallway and up the stairs to her room. When we got there, she plopped herself face down on the bed. Her shorts outlined the shape of her sexy ass. It was wiggling invitingly, and filled my head with all sorts of ideas. "This is going to feel good," she said, slipping off the shorts. I had no idea they even made such skimpy pants. These were tight and revealing. "Oh well, I guess I might as well take this off as well," she said, slinking out of her top, letting those big glorious breasts loose and pressing against the bed.

She had a small bottle of massage oil that she kept in the night stand drawer. Laying on her tummy, she reached over opened the drawer and pulled it out. I took it, put a little on my hands and rubbed them together to warm it up. Then, standing by the bed, I proceeded to rub and knead her back with long soft,

but strong strokes as she moaned beneath them. I worked the oil into her long athletic legs, being careful not to get too close to where I shouldn't be going.

Then abruptly, she rolled over as I was working her feet. Her hips came first and her chest followed. She made no attempt to cover them, but rubbed them a little to wake them up after lying on them. As she did, I noticed her nipples harden just a little. She looked at me as if to say, 'what are you waiting for?' I warmed up some more oil in my hands and took a couple steps up the bed to begin with her shoulders. She closed her eyes and started those sexy low murmurs again and my pecker was raging inside my board shorts. I worked my way down her chest, trying not to touch her nipples. I massaged the sides and under her breasts but stayed away from the tops. She took one hand and pulled it back to her breast and said that I forgot a couple spots. I laughed nervously and apologized saying I didn't want her to think wrong of me. She just smiled as my second hand came back and caressed those perfect fleshy, mounds.

Her nipples got harder and harder as I swirled the oil on them. Her moans got a little louder but I kept my actions righteous. Not wanting to linger too long, I moved down her

body to her thighs and continued there all the while looking back up at her well-oiled breasts. When I got up to where her legs meet her hips, I slipped a hand under her panties and into the crease, rubbing and pushing down so she got a good massage. She suddenly lifted her hips and in one motion pulled her panties down and off saying I couldn't do a good job with them on.

Suddenly the room filled with the musky smell of wet pussy. We had showered at the club, but the massage must have ripened her lady parts. With my monstrous hard on, I was tempted to take off my shorts too! With her legs spread and her ass lifted slightly, Blanche's pussy was about to get its own massage. She had some wispy dark hairs, but mostly what I saw were two tantalizing pussy lips, glistening with the oil I was applying to them. My cock was twitching uncontrollably and she must have noticed. She ran a hand up my leg, under my shorts, and found it. Without saying a word, she looked up at me and squeezed. I nearly collapsed right there. It was all I could do to keep from cumming

in my shorts when Blanche said, "Would you like me to do you now?"

Before I could answer, she had my shirt off and was easing me onto my back. She pulled my shorts down past my knees, then my underwear, which snapped past my cock. That didn't surprise me, since I felt as hard as a hammer. I closed my eyes, waiting to feel her turn me around so she could rub my back. But the next thing I felt, however, was her warm, wet mouth on my firmness. I opened my eyes to see her head moving up and down and her soft warm tongue lapping all of my cock with amazing energy.

"I hope you don't mind if I skipped the massage and do this instead." She didn't wait for an answer. She just went right back to sucking me off. Blanche's mouth moved smoothly up and down my cock. Her teeth never touched it. I could feel the tip of her tongue massaging my sensitive vein. She stroked me as she stopped sucking, almost sending me over the edge. Then she took my balls in her mouth and gave them a good soaking. I felt her tongue sepa-

rate them and lick each one. I said, "Are you trying to make me cum?"

She went to work at a feverish pace, taking my meat all the way in her mouth again, her tongue moving against it like dog licking his last bone. Every few seconds she'd take her mouth off my cock to urge me to shoot my load. Finally I was ready to explode and told her so. Blanche backed her head away but kept pumping with her hand until the spunk flew out of my pecker in a torrent of globs that landed right on her huge boobs. Pushing one up to her mouth, her tongue playfully licked at the pearly drops and lapped them up, all the time stroking my cock until it was emptied and soft.

She then crawled up on me and sat right on my face. "Sorry, you'll have to finish me off now. That got me too excited!" she said. I thrust my tongue deep inside her wet slit as she held her pussy lips apart and fingered her clit. With her other hand she rubbed my cock bringing it back to life and when it did, she leaned over and rubbed it some more. She finally came as her body shuddered on top of mine. She straightened up, got off me and gave my cock one last lick.

Blanche and I have since spent many such afternoons together. We go down on each other all the time and she has learned to swallow my cum. And thanks to her, I have become an expert at eating pussy. Now that's what I call a lesson learned.

After her best friend got drunk at a party and insulted her in front of everyone, Kenzie was furious. She knew she would never talk to that bitch again. She might be small, but Kenzie knew she was mighty. No one was going to call her names and spread rumors about her in front of her other friends and work colleagues and her ex-best friend was going to be taught a lesson. Since she liked telling everyone what a dirty girl Kenzie was, she was going to be just that.

Kenzie & Lexi

MY FRIEND SAID THAT MY BUTTHOLE IS NOT ONLY AN EXIT BUT AN ENTRANCE. TOO!

Why not have some fun? But the only girl she was going to go after was her ex-best friend girlfriend, Lexi. She had met her a couple years ago and they had grown to be quite good friends, so getting her to come over to talk wasn't going to be hard at all. And even though she had a tiny, petite body, she knew just how to use it to drive Lexi wild, so seducing her wasn't going to be a problem either. The two got together and have remained new bffs for at least a six months now.

Katya couldn't believe how helpful the painter she had hired was being. She was only paying him to paint her living room, but after seeing the state of her hallway and kitchen were in, he offered to spend a few extra hours painting those to at no extra charge. No matter how hard she tried, she couldn't understand why he was being so generous. She looked at the sweatpants she was in and she knew it couldn't be because of how she looked.

Katya

SOMEONE GETS ASS TODAY.

She was definitely a sex kitten, but she didn't look it with what she had on that morning. But no matter his motivation, Katya thought he deserved a very big, very special thank you. While he was finishing up, she decided to change into something a little more interesting. When she came back in a tiny bikini, her painter almost fell off his ladder. He helped her out of it and she thanked him in her own special way.
